RE: 2022 Liquor License Renewal

Sir,

The following business has applied for the renewal of their liquor license from the City of Ladue:

**Lester's LLC
9906 Clayton Road
Ladue, Mo. 63124**

The liquor license will be in the name of the Vice President of Operations / Owner. He is identified as:

**Pedro E. Beltranena
W/M 11/03/1962
902 Barnard College Lane
St. Louis, Missouri 63130**

The business is owned and managed as a Limited Liability Corporation (LLC) with Newcastle Industries Incorporated as 51% ownership. A criminal check through the REJIS system was completed on Beltranena showing past history, however, there is no reason to deny the renewal of the liquor license.

A check through the CARE system revealed no violations or unusual calls were reported at this establishment in the previous twelve months. Based on this information, I see no reason to deny the renewal of this liquor license.
